Our school initiatives are showing substantial progress toward our targets

After reviewing our 2016 *Investing for Success* agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds. Initiatives implemented include:

- Employing our SLP for additional hours to assist the development and implementation of the school's oral language program and to finalise more assessment and implement more individual programs
- Employ a number of Teachers to provide differentiated programs for targeted students
- Employ a number of Teacher Aides to provide differentiated programs for targeted students
- Release teachers as a year level to plan and reflect on their pedagogy and planning
- Release professional learning teams to reflect on current implementation plans and plan for the future based on data and resource accordingly
